The manuscript is written in a cursive script, likely a form of Old Church Slavonic or a related Slavic language. The text is densely packed and covers most of the page. There are several lines of text that appear to be headings or section markers, such as "Kite-tu" and "Kite-tu". The text is written in a dark ink on a light-colored, aged paper. There are some faint, illegible markings in the right margin, possibly indicating a page number or a reference. The overall appearance is that of a historical document, possibly a liturgical or legal text.
